Anti-discrimination Policy

As a matter of policy, law, and commitment, Seattle Parks and Recreation does not discriminate on the basis of race, color, sex, marital status, sexual orientation, political ideology, age, creed, religion, ancestry, national origin or presence of any sensory, mental or physical handicap.

Parks and Recreation fees and charges are necessary to provide financial support to the Seattle Parks and Recreation for the operating costs of programs, facilities and grounds. Refund Policy

It is the policy of Seattle Parks and Recreation that any person who registers for a swim class that is cancelled for any reason by the Department will receive a full refund. In the event of an unplanned cancellation of a single session of a class, that class will be rescheduled whenever possible. If it cannot be rescheduled, the participant will receive a refund. A participant may be issued a refund if he/she drops a class, and notifies the program coordinator, prior to the second class session. The pro-rated class fee plus a service charge of \$5.00 or 10% of the fee, whichever is greater, will be retained by the facility. If a participant drops a class after the second session of a series, no refund will be given.

Through the Pro Parks Levy, Seattle citizens voted to provide funding for **FREE** swimming lessons for all **3rd and 4th** grade students who live in Seattle. This **FREE** swim lesson program is available to each child, whether he or she is a beginner or a more advanced swimmer.

The Pro Parks Levy is making a difference in your community

With funding approved for this eight-year levy by Seattle voters in 2000, we're building new parks, enhancing maintenance, and expanding programs throughout the city. Our recreation facilities are providing innovative teen programs that enhance self-esteem and build life skills, more environmental education to increase awareness about the wonders that surround us, swimming lessons for all 3rd and 4th graders to make sure every Seattle child knows how to swim, a wider range of activities for seniors, and more. We're cleaning and removing litter from our facilities and parks more often; expanding park maintenance in the summer months, when use is high; and working hard to maintain our valuable landscapes, trees, and other natural assets. Whether you prefer sports or quiet contemplation, there are more active play areas and passive park lands available for you. New things are happening every day, so keep an eye out for Pro Parks Levy signs in your neighborhood!
